

SUZOHAPP Unveiled the Future of Cash Management at Product Launch Event during EuroCIS

Next-generation CashComplete™ solutions presented in Düsseldorf

LOUD-BEIJERLAND, THE NETHERLANDS March 1, 2019 – SUZOHAPP - a global market leader of software and hardware payment management solutions - launched its latest innovations in cash automation technology at its Product Launch Event held on February 20th at the Merkur Spiel-Arena in Düsseldorf.

Guests from all around Europe witnessed the unveiling of two new revolutionary CashComplete™ retail solutions - the Smart Deposit Solution, SDS-760 and the Smart Point of Sale Solution, SPS-700 & SPS-800.

The event was a great success and the speakers' speeches were much appreciated by the audience. Wilbert Bieleman, SUZOHAPP President and General Manager for Europe, the Middle East and Africa (EMEA), welcomed the guests and gave an effective overview of the SUZOHAPP Group.

Sim Bielak, SUZOHAPP's Chief Marketing Officer, unveiled the new innovations and highlighted their outstanding features and benefits. Dr. Rory Herriman, Executive Vice President and General Manager of SUZOHAPP Digital, explained the significance of cash in society and how the new CashComplete™ innovations can help retailers optimize their cash management processes. A big highlight of his speech was the introduction of the new CashComplete™ Connect - Retail Edition™ which delivers next-generation automation of retail payment management processes.

Vincent Saubaber, Executive Vice President of Retail for SUZOHAPP, explained the difference CashComplete™ solutions make with documented evidence from customers. A great success story with Brink's was also presented. Pascal Carlier, Responsible Business Unit CompuSelf at Brink's, described the benefits of the strategic partnership with SUZOHAPP and showed the advantages that SUZOHAPP solutions offer.

Wilbert Bieleman summed up the success of the event, "We wish to thank everyone who took part in our launch event. We are very satisfied with the enthusiastic feedback from our valued customers. This event gave us a fantastic opportunity to show how we are shaping the future of cash management."
